*2 Timothy 4:2 "...preach the word; be ready in season and out of season; reprove, rebuke, and exhort, with complete patience and teaching."*

You have one last piece of advice to give. It would be the most important instruction you would offer to the one who would carry on your legacy... What would it be?

I recently had a friend tell me about how there was a time some years back that their spouse committed to read the word of God every day, no matter what. Their testimony was just how much it changed their spouses' life. And my friend sat back and watched how a daily dose of the word of God absolutely did a transformative work.

Paul knew this... Paul knew the power of the word. It was this word that Jesus prayed to the father for his disciples. John 17:17 says that the word of God is truth, and it is this truth that would sanctify the disciples.

I encourage you this morning. Get into the word. Read it daily. Meditate on it daily. Allow the truth of Jesus Christ to wash over your soul.

God bless!
